GENERAL INFORMATION

The CNS promotes the exchange of information on all aspects of nuclear science and technology and its applications. This includes nuclear power generation, fuel production, radioisotope production and application, management and transportation of radioactive wastes and used fuel. Other topics include, but are not limited to, medical and industrial uses of radionuclides, occupational and environmental radiation protection, the science and technology of nuclear fusion, and associated activities in research and development.

The CNS is grateful for the financial and resource (organizing committees, speakers and registrants) support by the nuclear industry for CNS organized events. Without this support, these events would not be possible. We perceive the benefits to the industry being involved with CNS events to include enhancing corporate image and developing personnel. Our goal is to hold events that deliver these benefits.

This document includes information about Sponsorship and Exhibition opportunities for the major CNS conferences that will be held in 2020. To simplify the process, companies are encouraged to examine the table below for events they may wish to support in 2020 and consider one transaction. Table 3 provides details of multi-event Sponsorships.

DETAILS OF SOME SPONSORSHIP ITEMS

Conference Bags
Conference bags are provided to each delegate with a full registration. The sponsoring company’s logo will be imprinted on the bag in addition to the Conference logo.

Badge Holders
The wallet-style bi-fold has a vinyl see-through window to hold a 4” x 3” name badge and a ½” lanyard to be provided at registration to all attendees. The sponsoring company’s logo will be imprinted on the item in addition to the Conference logo.

Conference Program Pamphlet
The sponsoring company can have a promotional advertisement on the back cover of the Conference Program Pamphlet, at a size of 4” x 7” (only applicable to conferences with program pamphlet).

Student Conference (Travel/Housing Assistance)
Sponsorship of student travel/housing assistance helps offset costs and increases the overall participation by students from across Canada.

Conference Audio-Visual Services
Sponsorship covers Audio-Visual Services for the plenary and technical session presentation rooms.

Google drobox page
Your logo will be displayed on the page where speakers load their presentations (both for technical and plenary sessions).

Conference Proceedings
The conference proceedings will serve as a permanent record of the 39th Annual CNS Conference and will include abstracts of presentations and posters, full papers of presentations made in technical sessions, and some of PowerPoint presentations in .pdf format. The sponsoring company’s logo will be prominently featured, along with an acknowledgment of the company as sponsor of the Conference Proceedings.
